

Super Group Ltd

The Super Group, founded in 1987, has grown from a local company into a leading diversified manufacturer of instant beverages & convenient food products that are marketed and distributed globally. Super is also the only company in Singapore and region with its own manufacturing facilities for instant coffee, instant cereals, instant tea and non-dairy creamer. Super is one of the leading players in the instant food and beverage industry in Southeast Asia with a portfolio of over 150 instant beverages and food products, distributing products to more than 50 countries. The Company's strength in product innovation, quality control & market expansion has created a foundation for continued success into the future.
